May 2010

Have you ever said...

I can't do that.
That's just not me.
I'd like to but I don't know how.

Jesus told his followers to "be my witnesses" (Acts 1:8). He told them to "go and make disciples" (Matthew 28:20).

We know that's what we're supposed to do. We know we are supposed to tell other people about Jesus. We know that a Christ-follower is supposed to be involved in inviting other people along on the journey. But far too often we don't think we can. Far too often we feel inadequate.

During the month of May I want to help equip you to be the person God wants you to be in this area of life. **In a five week series called, "Who Am I?" I'll help us understand our possibilities as witnesses for Jesus.** I'll talk about some things you've never thought about that will help you see this is a possible dream. I'll share specific things you can do and specific things you can say that will help you be more effective.

Please join me all five weekends in May. God is really going to use this series in your life.

Record EASTER Attendance!

5344 people attended services on Easter weekend at our various campuses. Rock Island, Bettendorf & Vida Nueva each set new records.

Even more significantly, more than **40 people** signed a card indicating they had placed their faith in Jesus for salvation!

Our staff did a great job in planning a great service. You did a great job inviting your friends. Heritage has a new upper limit of understanding of what we can be for God.

Thanks for your faithfulness! God has even greater things ahead for us!

Stewardship Journey

Two years ago you made a serious commitment to give sacrificially to help expand our facilities. In the two years we have given over 1.2 million dollars! Thank you.

Because of your faithfulness Bettendorf has a new campus. Over 600 people worship there each week. Keep your ears open for soon to be announced plans to update the Rock Island campus.
